

REMARKS

Entry of this Amendment in accordance with the provisions of 37 CFR § 1.312 is respectfully requested. Claim 6 has been amended to change the phrase "a radio base station" to --one of said radio base stations--. This enables the language of claim 6 to correspond with the changes made to the other claims. It is noted that this amendment does not broaden the claim language, and, as such, will not require either further search or substantial consideration on the part of the Examiner. Therefore, entry of this Amendment in accordance with the provisions of 37 CFR § 1.312 is earnestly solicited.

If the Examiner believes that there are any other points which may be clarified or otherwise disposed of either by telephone discussion or by personal interview, the Examiner is invited to contact Applicants' undersigned attorney at the number indicated below.

If this paper is not timely filed, Applicants respectfully petition for an appropriate extension of time. The fees for such an extension or any other fees that may be due with respect to this paper may be charged to Deposit Account No. 50-2866.

Respectfully submitted,
